SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

The Examiner is respectfully requested to consider a reference which may qualify as prior art. For the Examiner's convenience, the reference is listed on the attached Patent and Trademark Office form PTO-1449.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that this submission requires a fee of \$180 under C.F.R. 1.97(c)(2), which is being paid electronically in conjunction with this EFS submission. If this is not

correct, please charge any required fee, and deficiency or refund any difference to deposit account no. 07-1969.

Respectfully submitted,
